Where such checks are allowable by law, the following practices and procedures will be followed.

**I. Requesting CHRI checks**

Fingerprint-based CHRI checks will only be conducted as authorized by the FBI and CBI, in accordance with all applicable state and federal rules and regulations. Furthermore, an entity can be charged with federal and state crimes for the willful, unauthorized disclosure of CHRI.

**III. Storage of CHRI**

CHRI shall only be stored for extended periods of time when needed for the integrity and/or utility of an individual's personnel file. Administrative, technical, and physical safeguards, which are in compliance with the most recent CBI and FBI security Policy, have been implemented to ensure the security and confidentiality of CHRI. Each individual involved in the handling of CHRI is to familiarize himself/herself with these safeguards.

In addition to the above, each individual involved in the handling of CHRI will strictly adhere to the policy on the storage and destruction of CHRI.

Persons already having access to CHRI and who are subsequently arrested and/or convicted of a crime will:

- a. Have their access to CHRI suspended until the outcome of an arrest is determined and reviewed by the CBI in order to determine if continued access is appropriate.
